## FACULTY

Faculty bios are available at <http://www.gaderm.org/meetings.php>

## ACCREDITATION

The Southern Alliance for Physician Specialties CME is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

## CREDIT DESIGNATION

The Southern Alliance for Physician Specialties CME designates this live activity for a maximum of 19 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**QUESTIONS?** Contact Maryann McGrail at 770-613-0932 or [maryann@theassociationcompany.com](mailto:maryann@theassociationcompany.com)

## MEETING DESCRIPTION

The Annual Meeting of the Georgia Society of Dermatology and Dermatologic Surgery is a three-day program designed to provide practicing dermatologists, dermatopathologists, dermatologic surgeons and allied healthcare providers with a comprehensive update on the diagnosis and treatment of a variety of conditions related to medical, surgical and cosmetic dermatology. The activity is provided via a live medium format, using didactic, case-based and interactive instructional methods. The activity also features patient case studies, live patient demos, and [opioids prescribing course which is now required for Georgia Medical Licensure.](#)

## DESIRED OUTCOMES

The goal of this activity is to provide dermatologists with up-to-date, evidence-based data that can be translated into clinical practice to optimize therapeutic outcomes for their patients. This comprehensive activity provides learners with opportunities to:

- Review and apply basic knowledge and skills in medical dermatology, dermatologic surgery, pediatric dermatology, and dermatopathology.
- Update their knowledge about recent advances in the diagnosis, management and treatment of diseases of the skin, hair, nails, and mucous membranes, as well as learn about new cosmetic dermatology products and techniques.
- Assess the relationship of evidence-based diagnostic approaches and therapies with new dermatologic treatment developments.
- Self-assess current practice management skills and develop strategies for improving these skills.
- Develop new proficiencies to implement into the daily practice of dermatology.
- Learn to advocate, when called upon, for quality of care issues, managed care reform (patient protection), patient access to care, reimbursement issues, effective/efficient practice models, Medicare reform, prescription drug benefits, access to therapies, and funding of basic and clinical research, and collaborate with organizations such as the MAG, AAD, NIH, etc.

## CONFLICT OF INTEREST POLICY

It is the policy of the Georgia Society of Dermatology and Dermatologic Surgery to require disclosure of any significant financial interest or any other relationship a faculty member or planning committee member has with the manufacturer(s) of any commercial products or services discussed in an educational presentation. The information will be shared with all participants at the conference.
